January 1st, 2022

Dear Orchard Family,

Orchard Dental Group would like to announce the well-deserved retirement of Dr. Bob Marolt effective January 31st, 2022. Dr. Marolt has had a long and successful career in dentistry, and we all wish him the best in his retirement. Below is his message to his beloved Orchard Patients.

“Significant life changes over the past several years have caused me to reassess how best to spend my time in the immediate future. While I had hoped to continue to practice dentistry at Orchard Dental Group for many more years, I have come to realize that my future life will require more time flexibility than a regular patient schedule will allow. I have very recently made the decision to retire. This was a difficult decision since I truly love dentistry and knowing you and your families so well has been such a blessing. I will miss you all very much! Rest assured that my health is excellent, and taking the opportunity to spend time with family, to travel, and to pursue my hobby-passions while I’m still able is one that I can’t pass up. I will continue to live and be active in the area so please say hello if our paths cross!

You will continue to receive the highest level of service and care at Orchard Dental Group. Dr. Kauls and her team will always strive for excellence and be your resource for your care. We have recently welcomed Dr. Dierking to the practice and expanded our hours to include Fridays. You will always be welcome as a part of the “dental family!”

I will always reflect warmly upon the time spent serving you. Being your dentist has been one of the greatest honors of my life. Best to you always.”

As mentioned in his note, you will continue to receive the highest level of care here at Orchard Dental Group. We will continue to reserve your upcoming dental appointments as scheduled. If you have any questions regarding any of your appointments, do not hesitate to call.

Warm Regards,

Dr. Perri Kauls and the Orchard Dental Group team.

Live well. *With a smile.*
